Materials and Setup

Item 1

Rainy Day Surprise

Justin woke up early. It was Saturday. He was going to play baseball with his friends today. He looked out the window. It was raining. Oh no, Justin thought. What would he and his friends do now? They could not play baseball in the rain.

Justin went downstairs. He sat with his father eating breakfast. Instead of making himself some breakfast, Justin just stared out the window. He had a big frown on his face.

"I'm sorry it's raining today," said Justin's dad.

"I know. Now I have nothing to do today," said Justin sadly.

"Why don't you and your friends find something to do inside?" asked his dad.

Justin thought about what they could do inside. They could play video games. They could play some board games. However, Justin had played those many times before. He wanted to do something new. He wanted to do something exciting.

"I have an idea," said Justin's dad. He went upstairs and came back with a stack of comic books.

"Thank you!" said Justin. Justin looked at the books and they had comic books and the rain stopped. The rainy day ended so being a great day for Justin and his friends.
