Agree	Disagree	Criterion #1: Evidence of Significant Intellectual Disabilities Student's levels of intellectual skills and adaptive behavior are such that extensive modifications are required in order to access the general curriculum.		
Agree	Disagree	Criterion #2: Intensity of Instruction Student requires extensive direct instruction and/or extensive supports to accomplish the application and transfer of skills to school, home, work, and community environments.		
Agree	Disagree	Criterion #3: Curricular Outcomes The student requires extensively modified instruction focusing on a less complex application of skills in order to access the <i>Delaware Content Standards</i> . Due to this change in complexity, the student would not be able to complete all graduation requirements and will graduate with a Certificate of Completion.		
Agree	Disagree	Criterion #4: Exclusions The decision to include the student in the DCAS-ALT1 is NOT based on the following:		
 existence of an IEP; specific categorical label; educational placement; English language learner status; socio-economic or cultural differences; 			6. excessive or extended absences;7. disruptive behavior;8. student's reading level; or9. the expectation that the student will not perform well on the DCAS.
